**University of Colorado Colorado Springs** – Colorado Springs, Colorado

August 2021 – Present

Department of Counseling and Human Services

*Assistant Professor*

- Teach a 2 x 3 course load within a 9-month academic year.
- Conduct qualitative research on disability-responsive practices in counseling across the lifespan and submit for grant opportunities for community improvement.
- Advise graduate students throughout their academic program.
- Serve on various committees at the department, college, and university level centered around disability work, student success, and faculty support.

**University of Colorado Colorado Springs** – Colorado Springs, Colorado

July 2020 – July 2021

Department of Counseling and Human Services

*Instructor*

- Taught 4 courses a semester across the curriculum in both BA program in human services and MA program in counseling.
- Advised undergraduate and graduate students throughout the semester.
- Worked collaboratively with program coordinators and other departments.

**CCD Counseling, P.A.** – Denton, Texas (In-person/Telehealth)

August 2016 – June 2020

*Bilingual Therapist*

- Provide counseling services to individuals, families, children, and couples in English, Spanish, and American Sign Language.
- Manage case file documentation, as well as any contact with the client or family.
- Provide holistic care by identifying additional resources to support clients based on individual needs.

**Child and Family Resource Clinic** – Denton, Texas

June 2018 – May 2020

*Counselor*

- Provide counseling services to individuals, children, and couples in English, Spanish, and American Sign Language. Provided group counseling to master's students.
- Develop treatment plans and summaries in a DAP note format and monitor client progress with the assistance of a supervisor and clinical staff.
- Maintain client contacts and assessments during the duration of treatment.

**Counseling & Human Development Center** – Denton, Texas

June 2017 – May 2018

*Counselor*

- Provided counseling services to individuals and couples in English, Spanish, and American Sign Language.
- Developed treatment plans and summaries in a DAP note format and monitored client progress with the assistance of a supervisor and clinical staff.
- Maintained client contacts and assessments such as Adult Self Report (ASR) during the duration of treatment.

**Centre for Neuro Skills** – Irving, Texas

July 2015 – June 2017

*Counselor*

- Met with patients with a primary disability of a brain injury (i.e., TBI & stroke) for individual counseling one or twice a week. Provided family and couples counseling services in English and Spanish. Group counseling was provided to patients twice a week related to adjustment, spirituality, vocational, and social skills.
- Provided an integrated care approach to serving each patient and family to reduce barriers and improve quality of life and completed worksite evaluations.
- Conducted assessments such as Beck Depression Inventory-II, Beck Anxiety Inventory, Trail Making, Taylor-Johnson Temperament Analysis, and Minnesota Multiphasic Personality Inventory 2.

**Department of Assistive and Rehabilitative Services** – Fort Worth, Texas

December 2013 – July 2015

*Vocational Rehabilitation Counselor*

- Caseload consisted of people with a primary disability of Deafness or Hearing Loss. Career counseling was utilized to match a consumer with an appropriate plan for employment and services that would ensure goal was achieved.
- Provided and partnered with community members to ensure consumer success with adaptable equipment, assistance with finances, housing, and employment.

- Conducted presentations at high schools and community events to provide information on the agency's services and the potential outcomes of consumers with disabilities.

**Friends of The Family** – Corinth, Texas

October 2013 – November 2013

*Bilingual Advocate*

- Provided assistance with survivors of domestic violence in applying for Protective Orders in English and in Spanish.
- Phone calls were made to community agencies to identify further needs that were outside of the scope of practice.

**BCFS Health and Human Services** – Irving, Texas

May 2013 – October 2013

*National Case Manager*

- Provided services to undocumented children and their families. Provided post-release services to the minor and the families once they were released from an immigration shelter.
- Created service plans based on individualized needs for education, legal, medical, and community services that served Spanish speaking individuals.
