

Charles C. Benight, Ph.D.

CHARLES C. BENIGHT, Ph.D.

Professor

Director UCCS National Resilience Institute

President's Teaching Scholar

ACADEMIC APPOINTMENTS

2020-Present	Director of UCCS National Resilience Institute
2015-2017	Director of Clinical Training, Department of Psychology: Ph.D. APA Approved Clinical Program
2006-Present	Professor of Psychology, University of Colorado at Colorado Springs
2003	Interim Co-Chair Department of Psychology
1999-2020	Founder and Director of the CU-Trauma, Health & Hazard Center
2002	Interim Director of the CU-Colorado Springs Counseling Center
1996-2004;	Director of Clinical Training, Department of Psychology
2015-Present	University of Colorado at Colorado Springs
2001	Visiting Scholar University of Queensland, Psychology Department (July)
2000- 2006	Associate Professor of Psychology, Department of Psychology, University of Colorado at Colorado Springs
1993-2000	Assistant Professor of Psychology, Department of Psychology, University of Colorado at Colorado Springs
1992-1993	National Heart Lung & Blood Institute Post Doctoral Fellow, University of Miami, Coral Gables, FL
1989-1991	National Heart Lung & Blood Institute Pre Doctoral Fellow, Stanford University, Stanford, CA
1985-1986	Fulbright Scholar, University of Freiburg, Germany

EDUCATION

Ph.D.	<u>Stanford University</u> , August 1992, Counseling Psychology (APA Approved). Specialization: Health Psychology; Minor Psychology.
M.C.	<u>Arizona State University</u> , December 1986, Counseling Psychology (Summa Cum Laude)
B.S.B.A.	<u>Arizona State University</u> , May 1983, Management (Summa Cum Laude)

LICENSURE

Psychologist, State of Colorado, License no. 1904. 1994-Present

AWARDS AND HONORS

2018	Awarded the Distinguished Mentorship Award from the International Society for Traumatic Stress Studies
2017	Nominated for Robert Laufer Award for Outstanding Scientific Achievement International Society for Traumatic Stress Studies
2015	5 Million Dollar Club
2013	CU: President's Teaching Scholar
2012/2017	Nominated for Distinguished Mentorship Award: International Society for Traumatic Stress Studies

Charles C. Benight, Ph.D.

2012	Psychological Society of the Pikes Peak Region Cornelia Sabine Award for Outstanding Contribution to Psychology
2010	Million Dollar Club
2009	Faculty Award for Excellence in Research.
2009	University of Colorado at Colorado Springs Inventor of the Year
2002	Emerging Leaders System Wide Program
1999	Letters Arts & Sciences Extraordinary Merit Award
1999	Letters Arts & Sciences Outstanding Teacher of the Year
1992-1993	National Heart Lung & Blood Institute: Post-Doctoral Fellow
1989-1991	National Heart Lung & Blood Institute: Pre-Doctoral Fellow
1990	American Psychological Association Travel Grant
1989	Stanford School of Education Travel Grant
1985-1986	Fulbright Research Scholar to West Germany: Cardiac Care
1984-1985	Regents Scholarship for Academic Excellence

EDITORIAL ACTIVITIES

Peer-Reviewed Journals

2013	Guest Co-Editor: <i>Psychological Services</i>
2012	Guest Editor: <i>Trauma Psychology: Theory, Research, Practice, Policy</i>
2003-2007	Associate Editor: <i>Journal of Traumatic Stress</i>
2007-present	Editorial Board <i>Anxiety Stress and Coping</i>
2012- present	Editorial Board <i>Stress & Health</i>
2006-present:	Referee: <i>Psychological Bulletin</i>
2005-present:	Referee: <i>Journal of Social and Clinical Psychology</i>
2005-present:	Referee: <i>Journal of Nervous and Mental Disease</i>
1995-present	Referee: <i>Health Psychology</i>
1996-present	Referee: <i>International Journal of Behavioral Medicine</i>
1996-present	Referee: <i>Journal of Applied Social Psychology</i>
1998-present	Referee: <i>Psychosomatic Medicine</i>
1998-present	Referee: <i>Brain Behavior and Immunity</i>
1998-present	Referee: <i>Journal of Traumatic Stress</i>
2000-present	Referee: <i>Death Studies</i>
2000-present	Referee: <i>Clinical Psychology Review</i>
1998-present	Referee: <i>Anxiety Stress and Coping</i>

National Meetings Reviewer

2013	Deputy for Clinical Intervention Abstracts for the 2013 International Society for Traumatic Stress Studies Meeting.
2009	National Institute for Public Health and the Environment, Netherlands
2004	Deputy for Early Intervention and Disaster Abstracts for the 2004 International Society for Traumatic Stress Studies Meeting.
2001-2012	Conference Abstract Reviewer International Society for Traumatic Stress Studies
1998	Conference Abstract Reviewer Society of Behavioral Medicine
1997	Conference Abstract Reviewer: Society of Behavioral Medicine
1996	Conference Abstract Reviewer: Society of Behavioral Medicine

Charles C. Benight, Ph.D.

Granting Agency Review Panels

2018	National Science Foundation Panel Reviewer
2018	National Institute for Mental Health Panel Reviewer
2013	National Science Foundation Reviewer Risk and Decision Making
2012	National Institute of Mental Health: STTR/SBIR Study Section
2007	National Institute of Mental Health
2003-2006	National Science Foundation
1995	Referee: <u>National VA Research Grant Program</u>

AREA OF SCHOLARLY INTEREST: My research has focused on the interaction of social cognitive theory and the mechanisms of trauma recovery and coping with chronic disease. I am particularly interested in the cognitive appraisal processes of victims of trauma and how these processes influence physical and emotional health.

GRANTS and CORPORATE SUPPORT

Co-Principal Investigator. REACH Project- Recovery and Adjustment in the Community after Hurricane Florence. **National Science Foundation**. January 1, 2019 to January 1, 2020. \$189,000. Rapid.

Principal Investigator. “Coping in Families Affected by California Wildfires and Flooding”. **National Science Foundation**. April 1, 2018 to March 30, 2019. \$158,604.00. Rapid #1827230

Co-Principal Investigator. “Collaborative Research: Learning and Sensory-based Modeling for Adaptive Web-Empowerment Trauma Treatment”. **National Institute of Health and National Science Foundation**. August 1, 2014 to July 31, 2018. \$1,493,590. IIS-1418520

Principal Investigator “Web-based empowerment program for disaster survivors (supplement for first responders). **National Institute of Mental Health**. December 2012 to December 2013. \$148,913.00. 3R42MH082498-04S1

Principal Investigator, “SupportNet, for Frontline Behavioral Health Providers.” **Army Telemedicine and Advanced Technology Research Center**. June 2011-July 2014. \$2,097,000.00. W81XWH-11-2-0153.

Charles C. Benight, Ph.D.

Principal Investigator, “Web-based Empowerment Program for Disaster Survivors.” **National Institute of Mental Health**. March 2011-January 2014. \$450,000.00 #2R42MH082498-03.

Co-Principal Investigator. “Disaster Resilient Rural Communities: The Effect of Information Access on Rural Collective Efficacy.” **National Science Foundation**, September 2010-August 2013. \$399,997.

Co-Principal Investigator. “Jail Diversion for Veterans with Trauma Spectrum Disorders”. **Substance Abuse Mental Health Services Administration**, October 2008-October 2013. Sub-contractor for evaluation. (\$350,000.00; UCCS portion).

Principal Investigator, “Web-based Empowerment Program for Disaster Victims and First Responders. **National Institute of Mental Health**, March 2008-August 2009. \$249,000.00.

Principal Investigator, “Advanced Mentorship Program: **National Institute of Mental Health**, June 2007-July 2008, \$15,000.00.

Co-Principal Investigator, “National Institute for Science, Space, and Security Centers”. **Air Force Office of Sponsored Research**. July 2006-July 2010, \$319,000.00

Co-Principal Investigator, “Toward Improved Understanding of Warnings for Short-Fuse Weather Events”. **National Science Foundation**, \$422,000.00. Start date July 1, 2003-2008.

Co-Principal Investigator: REU: The Warning Project. National Science Foundation. January 2005-January 2006. \$12,000.00

Principal Investigator: Empowerment Dynamics During Extreme Stress: A Social Cognitive Theory Application Phase II. **Network Information and Space Security Center Grant** related to Homeland Security and Homeland Defense, January 2005-January 2006. \$20,400.00.

Principal Investigator: Empowerment Dynamics During Extreme Stress: A Social Cognitive Theory Application. **Network Information and Space Security Center Grant** related to Homeland Security and Homeland Defense, June 2004-January 2005. \$20,400.00.

Principal Investigator: Trauma Intervention for First Responders: **Network Information and Space Security Center Grant** related to Homeland Security and Homeland Defense, January 2004-January 2006. \$13,800.00

Principal Investigator: Trauma Intervention for First Responders: A proposal for **Network Information and Space Security Center Grants** related to Homeland Security and Homeland Defense, June 2003-January 2004. \$7,000.

Co-Principal Investigator with Dr. Edward Chow: Enhancing the Security and Effectiveness of Collaborative Software for First Responders: A proposal for **Network Information and Space Security Center Grants** related to Homeland Security and Homeland Defense. June 2003-December 2003. \$7,000.00

Charles C. Benight, Ph.D.

Principal Investigator, "Coping Self-efficacy and Evacuation from Wildfire". Quick Response Grant: Natural Hazards Research and Applications Center, **National Science Foundation**: \$3,200.00. 2002.

Principal Investigator, "Coping Self-efficacy in Response to Motor Vehicle Accident Trauma". **National Institute of Mental Health**: Violence and Traumatic Stress Division. \$99,200.00. 1999-2003.

Principal Investigator: "Coping Self-efficacy as a Mediator in Treatment Effectiveness with Female Victims of Domestic Violence"., **Domestic Violence Early Response Team Colorado Springs Police Department**. \$15, 800.00. 1999-present.

Principal Investigator, "Coping Self-Efficacy Assessment with Victims of Domestic Violence. Received an \$8,100.00 grant through the **Domestic Violence Early Response Team program sponsored by the National Institute of Justice and the Colorado Springs Police Department**. 1998

Principal Investigator, "Coping Self-efficacy in Older Adults Following a Natural Disaster". National Science Foundation. 1998 \$3,000.00

Principal Investigator, "Coping Self-Efficacy, Depression, Anxiety, and the Early Re-Admission Congestive Heart Failure Patient". The Penrose Foundation and University of Colorado at Colorado Springs Matching Grant: 1997-1998, \$4,000.00

Principal Investigator, "Buffalo Creek Fire and Flood Disaster: Follow-up Study". University of Colorado at Colorado Springs CRCW grant. \$5,000.00, 1997-1998.

Principal Investigator, "Buffalo Creek Fire and Flood Disaster". National Science Foundation \$1,000.00

Principal Investigator, "Oklahoma City Bombing Study: Risk and Protective Factors Study. National Science Foundation \$2,800.00. 1995

Deans Support Grant for Oklahoma City Bombing: \$1,100.00. 1995

Principal Investigator, "Postmenopausal Women's Reactions to Spouses' Surgery" University of Colorado at Colorado Springs, CRCW grant \$5,000, 1994.

Eveready Battery Corporation: Supplied 280 batteries for psychophysiological study estimated value \$1,120.00

Hewlett Packard Corporation: Donation of a palmtop Hp 95LX computer for ambulatory studies, Estimated value at \$800.00

Charles C. Benight, Ph.D.

INVITED ADDRESSES

Benight, C. C. (2019, August). Veteran Health and Resilience. Invited Address to the El Pomar Foundation Board of Trustees Summer Retreat.

Benight, C. C. (2019, September). Resilience and Disaster Response/Recovery. Invited Presentation at the Front Range Emergency Management Conference. University of Colorado Berger Hall.

Benight, C. C. (2019, October). Restoring Hope. Invited Address to the Colorado Springs Health Foundation Learning Series.

Benight, C. C. (2018, November). Behind Resilience: First Responders Need for Emotional Fitness. Invited Presentation to Resilience in our First Responder Community. Conference held at Ent Center for the Performing Arts University of Colorado at Colorado Springs.

Benight, C. C. (2017, September). Self-Regulation Shift Theory: Time for a New Approach to Trauma Adaptation. Invited Presentation to University of Colorado at Denver Center for Neuroscience Brown Bag Series.

Benight, C. C. (2015, Summer). Challenges & Opportunities for Web-Interventions for Disaster Recovery. Invited Presentation at the Behavioral Disaster Management Conference. Kyoto, Japan.

Benight, C. C. (2014, Summer). [Social cognitive theory to traumatic stress recovery: Scientific development and clinical applications.](#) Invited Workshop at the Warsaw School for Social Psychology and the Humanities. Warsaw, PL

Benight, C. C. (2014 Summer). Web-based Mental Health Interventions: Harnessing the Power of the Worldwide Web. Invited lecture at the Warsaw School for Social Psychology and the Humanities. Warsaw, PL

Benight, C. C. (2014). Human Agency in Disaster Recovery: The Application of Social Cognitive Theory from Impact to Intervention. First Disaster Mental Health Conference, Tokyo Japan.

Benight, C. C. (2013). Evidence based trauma treatments: Exposure to the Internet and beyond. Plenary talk at the Cesar Chavez Annual Conference. Phoenix, AZ

Benight, C. C. (2012). Peer Support Program and Internet Empowerment. The Ohio State Medical Center Psychiatry Department. Columbus, Ohio.

Benight, C. C. (2012). The Application of Social Cognitive Theory for an Online Program for Trauma Empowerment. Health One Children's Hospital. Columbus, Ohio.

Charles C. Benight, Ph.D.

Benight, C. C. (2012). Web interventions for trauma an application of self-efficacy. Café Scientifique. University of Colorado at Colorado Springs.

Benight, C. C. (2012). Rules, disasters, and websites. Mountain Lion Research Day. University of Colorado at Colorado Springs.

Benight, C. C. (2012). Faculty-student relationships and the depth of learning. Teaching and Learning Center. University of Colorado at Colorado Springs.

Benight, C. C. (2010). Web interventions for trauma an application of self-efficacy. University of Zurich, Zurich Switzerland.

Benight, C. C. (2010). Web interventions for trauma an application of self-efficacy. Warsaw School for Social Psychology and the Humanities. Warsaw Poland.

Benight, C. C. (2009). Peer support program: A collaboration between the Colorado Springs Fire Department and the CU: Trauma, Health, & Hazards Center. Presented at the Penrose St. Francis Trauma Symposium. Colorado Springs, CO.

Benight, C. C. (2008). The importance of perceptions of coping capability in survivors of domestic violence—clinical implications. Presented at the 7th Annual Domestic Violence Summit, Colorado Springs, CO.

Benight, C. C. (2007). Trauma planning and recovery. NORAD-USNORTHCOM Command Surgeon's Conference "*Catastrophic Incident Response*" Conference in Colorado Springs, CO.

Benight, C. C. (2006). Disaster mental health: theoretical approaches. Stress and Anxiety Research Society meeting. Crete, Greece. Part of an invited symposium.

Benight, C. C. (September 2005). Finding Gold in Disaster Research: Lessons Learned and Opportunities for the Future. Paper will be presented at the Innovations in Disaster Psychology 2005: Research Strategies and Methodology Conference at the Disaster Mental Health Institute in South Dakota.

Benight, C. C. (2005, July). Role of Social Cognitive Theory in Warning Perceptions for Flash Flooding. 30th Annual Workshop on Hazards Research and Applications. Boulder, CO.

Benight, C. C. (2004, July). Disaster Mental Health Research and Practice. 29th Annual Workshop on Hazards Research and Applications. Boulder, CO.

Benight, C. C. (2002, August). Coping Self-Efficacy and Coping with Trauma. Annual Meeting of the American Psychological Association, Division 38, Chicago, ILL.

Charles C. Benight, Ph.D.

MEETING PRESENTATIONS & PUBLISHED SCIENTIFIC ABSTRACTS (* names represent current or previous students)

2020

Allen, A. B., Benight, C. C., & Littleton, H. (2020, February). *Supporting Oneself: How Self-Compassion Impacts Perceptions of Social Support among Hurricane Survivors*. Poster to be presented at the Society for Personality and Social Psychologists, New Orleans, LA.

2019

Yeager, C. M., Shoji, K., & Benight, C. C. (2019, November). Engagement predicts reduction in trauma coping self-efficacy while using a digital health intervention for trauma recovery: Mixed effects analysis. Poster presented at the 35th annual conference of the International Society of Traumatic Stress Studies, Boston, MA.

Yeager, C., Benight, C., (2019, November). *The role of self-appraisals on engagement and Digital Health Intervention effectiveness for the treatment of Post-traumatic Stress Disorder (PTSD)*. Paper presented at the 35th annual conference of the International Society of Traumatic Stress Studies, Boston, MA.

Samuelson, K., Abadjian, L., Jordan, J., Bartel, A.*, Engle, K.*, Talbot, M.*, Powers, T.*, Bryan, L., & Benight, C. (2019, November). The power of appraisals in predicting symptom improvement following cognitive training for PTSD. Paper presented at the 35th annual meeting for the International Society for Traumatic Stress Studies, Boston, MA.

Brickman, S.*, Benight, C., & Samuelson, K. (2019, November). It changed my life: The effect of event centrality, coping self-efficacy, and posttraumatic cognitions on PTSD symptoms. Poster presented at the annual meeting for the 35th annual International Society for Traumatic Stress Studies, Boston, MA.

Engle, K.*, Samuelson, K., Devane, A.*, & Benight, C. (2019, November). Trauma script systolic blood pressure during acute trauma period predicts intrusive PTSD symptoms. Poster presented at the 35th annual meeting for the International Society for Traumatic Stress Studies, Boston, MA.

Shoji, K., Harwell, A., & Benight, C. C. (2019, November). Self-regulation shift in people exposed to wildfires. Poster presented at the 35th annual conference of the International Society of Traumatic Stress Studies, Boston, MA.

Shoji, K., Harwell, A., & Benight, C. C. (2019, August). Testing self-regulation shift theory with hidden Markov model. Paper presented at the 29th annual conference of the Society for Chaos Theory in Psychology and Life Sciences, Orange, CA.

Devane, A., Samuelson, K., Shoji, K., Jordan, J., Benight, C. C. (2019, November). Trauma coping appraisals predict objective neurocognitive performance and PTSD symptoms three months post-trauma. Paper presented at the 35th annual International Society for Traumatic Stress Studies Annual Meeting, Boston, MA.

Charles C. Benight, Ph.D.

Morison, M., Harwell, A., Meskunas, H., Felix, E., & Benight, C. C. (November, 2019). The Influence of Trauma History on Disaster Survivors' Adaptation Over Time. Poster presented at the 35th annual International Society for Traumatic Stress Studies in Boston, MA.

Pfeffer, K., Devane, A., Morison, M., Shoji, K., Sucher, J., Benight, C. C., & Brown, A. (November, 2019). The Role of Coping Self-Efficacy in Posttraumatic Recovery: A Systematic Review and Meta-analysis. Symposium talk presented at the 35th annual International Society for Traumatic Stress Studies in Boston, MA.

Littleton, H., Benight, C. C., & Allen, A. B. (2019, November). Social Support, Coping Self-Efficacy and Coping Strategies as Prospective Predictors of PTSD among Rural Hurricane Florence Survivors. Paper presentation at the 35th annual conference of the International Society for Traumatic Stress Studies, Boston, MA

Benight, C. C. (2019, November). Targeting Patient-Centered Resilience Factors that Drive Posttraumatic Adaptation and Thriving. Panel presentation at the 35th annual conference of the International Society for Traumatic Stress Studies, Boston, MA.

Benight, C. C. (2019, November). Self-Regulation Shift Theory: A Non-Linear Approach to Traumatic Coping Dynamics. Paper presentation at the 35th annual conference of the International Society for Traumatic Stress Studies, Boston, MA.

Benson, K. Cox, T., Allen, A. B., Benight, C. C., & Littleton, H. (2019, October). *Promoting Individual Hurricane Recovery: The Mediation Coping Process between Self-Compassion and Depression*. Poster to be presented at the Society of Southeastern Social Psychologists, Johnson City, TN.

2018

Benight, C. C., & Shoji, K. (2018, November). *Evaluation of non-linear shifts in functioning during a web-based trauma recovery program: Getting better may not be linear*. Symposium presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

*Yeager, C. M., Shoji, K., & Benight, C. C. (2018, November). *Influence of trauma intensity and treatment self-efficacy on eHealth intervention engagement: A moderated mediation analysis*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C

*Weisman, P., Shoji, K., & Benight, C. C. (2018, November). *The effect of coping self-efficacy on posttraumatic stress symptoms following discriminatory police harassment*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

Charles C. Benight, Ph.D.

Shoji, K., Sano, R., & Benight, C. C. (2018, November). *Vulnerable at birth? Premature baby's DNA methylation*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

*Harwell, A., Shoji, K., Kasza, D., & Benight, C. C. (2018, November). *Longitudinal associations between coping self-efficacy and sleep impairment in treatment-seeking trauma survivors*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

*Devane, A., Shoji, K., Dominicci, S., Boulton, T. E., & Benight, C. C. (2018, November). *Managing physiological arousal as a mastery experience increasing trauma coping self-efficacy and reducing PTSD symptoms in vulnerable populations*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

*Yeager, C. M., Shoji, K., Devane, A., & Benight, C. C. (2018, November). *Increased heart rate variability predicts reduction in dissociation while using a digital health intervention for trauma survivors*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

Shoji, K., & Benight, C. C. (2018, November). *Recurrence of skin conductance and engagement and arousal ratings in a web intervention for trauma survivors*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

*Webb, S., Shoji, K., & Benight, C. C. (2018, November). *The effects of childhood and adulthood trauma on coping self-efficacy across the therapy process*. Poster presented at the 34th annual conference of the International Society for Traumatic Stress Studies, Washington D.C.

*Yeager, C., Shoji, K., & Benight, C. (2018, April). *Role of Trauma Type and Self-Efficacy on eHealth Intervention Engagement*. Poster session presented at the American Psychological Association Technology, Mind and Society conference, Washington, DC.

*Devane, A., Shoji, K., Boulton, T., & Benight, C. C. (2018). *Predicting the Improvement of PTSD in eHealth using a Machine Learning Approach*. Poster session presented at the annual conference of the American Psychological Association conference on Technology, Mind, and Society, Washington D. C.

Mahoney, C. T., Lynch, S. M., & Benight, C. C. (2018, May) Coping Self-Efficacy Moderates the Relationship between Sexual Trauma and PTSD symptoms. *Protective Factors Following Interpersonal Trauma*. Symposium to be conducted at the 30th annual convention of the Association for Psychological Science, San Francisco, CA.

Mahoney, C. T., Benight C. C., & *Melville, E. E. (2018, May) The Temporal Relationship between Coping Self-efficacy and Dissociation following Trauma in Undergraduate Students. *Protective Factors Following Interpersonal Trauma*. Symposium to be conducted at the 30th annual convention of the Association for Psychological Science, San Francisco, CA.
