Trauma Training Foundation I

Part one of a two-part Trauma Training for Professionals. This eight-week online course will give students a basic foundation of trauma, including an introduction to stress reactions, symptoms of posttraumatic stress disorder, biology, multiculturalism and diversity of trauma, developmental trauma, crisis interventions, and evidence-based treatments for adults and children. Students will learn material through a combination of empirical journal articles, media presentations, and online discussions. This course will benefit anyone looking for a basic understanding of the symptoms and impact of trauma.
